## MEMO ENDORSED

December 6, 2022

**By ECF**

Honorable Edgardo Ramos  
United States District Judge  
Southern District of New York  
40 Foley Square  
New York, New York 10007

Re: **United States v. Karl Sebastian Greenwood, S5 17 Cr. 630 (ER)**

Dear Judge Ramos:

We respectfully submit this letter with the consent of government counsel to request that the due-date for defendant's pretrial motions be extended for one week to December 14, 2022. The reason for this request is that the parties continue to engage in discussions that may obviate motion practice or narrow the issues in dispute. By memo endorsement dated October 18, 2022, the Court has excluded time from the Speedy Trial clock through February 1, 2023.

Respectfully submitted,

A handwritten signature in blue ink that reads 'Justin S. Weddle'.

Justin S. Weddle

The deadline for Greenwood's pretrial motions is adjourned to December 14, 2022.  
SO ORDERED.

A handwritten signature in blue ink, likely belonging to Edgardo Ramos, written over a horizontal line.
